Early Years Education: A CESA Priority

In the context of the *Strategy for Leading Catholic Education to New Levels of Excellence*, the Director of Catholic Education Mrs Helen O'Brien will share her vision and aspirations for early years' education in CESA. Other guests include Assistant Directors Bruno Vieceli and Monica Conway.

Focus is to:

- Share current directions for early year's education in CESA, the underlying principles of continuity of learning, transition and pathways
- Provide opportunities to engage with the strategy, vision and aspirations and to offer feedback and insights from the realities of your school contexts.

We hope educators, teachers and school leaders from all our early learning services, preschools and primary schools will come together for the final CESA Early Childhood Network for 2015.

Registration

To attend, please register online by **Friday 6 November** via the CESA Registration Centre ([click here](#)).

As WebEx is no longer available in conference rooms 7 & 8, we will video the session for country participants.
